

The Tactics of Attacking Low Targets

This class will cover how to attack low targets safely and intelligently. Learn how to read the fight to identify the appropriate time to apply low target attacks. This class will cover effective footwork, applying the concepts of the hauptstucke such as uberlaufen, and then applying across multiple weapons.

Instructor Bio

Brittany Reeves is the Head Instructor and Co-Founder of Mordhau Historical Combat in Mesa, Arizona. She is an internationally recognized HEMA instructor and multi-medalist in longsword, cutting, ringen, and glima. Her attention to form and function has been the driving force behind her classes and workshops, which can be seen in her own fighting and that of her students. Although she holds a Bachelor's Degree in Medieval History, Brittany self identifies as a friendly 'HEMA-jock' who likes lifting weights and watching UFC.
