

## The Bolognese Approach to the Fight

The Bolognese masters shared a very conservative approach to the fight. In this class we will examine the tempos and methods that the masters used to enter measure and attack in safety. This class will be weapon agnostic, the concepts and techniques across a multitude of weapons.

Required Gear: Fencing Mask, Weapon of Choice

## Instructor Bio

Will Phillips is a mechanical engineer who has been involved in martial arts for 20 years. Five years ago he co-founded East Texas Historical Fencing, where he both studied and taught Fiore. While at ETHF, Will also began to study Bolognese. After moving to Dallas in 2017 he Co-Founded the Dallas Renaissance Sword Guild where he currently teaches various weapons from the Bolognese Tradition.
